

Bushmaster Tech Sheet

CARBON 15 .22LR RIMFIRE RIFLE

Designed for the indoor range and the youth shooter, this Carbon15 .22 LR Rimfire lightweight is sure to add new dimensions to your Bushmaster shooting pleasure.

Bushmaster Carbon 15 .22LR Rimfire Rifle
(Part # AZ-C1522LR)

- Receivers, Buttstock, and Charging Handle are molded of strong, corrosion resistant Carbon Fiber Composite.
- 16" ChromeMoly Vanadium Steel Barrel – Blowback Operating Bolt machined from light weight titanium.
- Operational controls are functionally and ergonomically identical to AR15 type rifles – making the Bushmaster C1522LR an ideal training arm for developing skills with the AR15 type system. Safety Selector markings on each side of Receiver are colored for quick firing status check.
- .22 Rimfire High Velocity Ammunition is acceptable for use in indoor ranges.
- Dual Aperture Rear Sight (adjustable for windage), and Standard A2 Square Post Front Sight – adjustable for elevation.
- Accessory Youth Stock is available – 2" shorter trigger pull (part #AZ15279)
- Shipped in a Lockable Hard Carrying Case with Operation and Safety Manual and 10 Round Magazine.
- One Year Bushmaster Warranty
